“ *Dearest loved ones of the late Mrs. Bonita Louise Davis, As we know, the gift of being a special servant of God's is a favor, and indeed Bonita did her share during her time with us. In our childhood, we can't know which direction life will lead us. Oh, what a mercy she gained in extending her life in love and kindness. Be comforted in remembering, the Day will surely come when family will be reunited. We acknowledge the suddenness of the separation and a longing for a return to happy moments together. Those who knew Bonita can keep her spirit alive by striving with the same dedicated steadfastness her life personified. Although I didn't have the pleasure of knowing Bonita, personally, I, as a fellow social worker, appreciate what she leaves behind. Her steps can be followed, as can her vision for a more compassionate society. I pray that her close family finds comfort in knowing that her professionalism and unselfish affection in the cause of human services will forever be respected and appreciated.*

Respectfully yours,
