“ *I would like to express my gratitude for the support that my family and I have received during our time of sorrow. We received a great amount of love and expressions of condolence after the passing of our sister, Bonita Marshall.*

While my family and I were leaning on one another for support you all were a great comfort. We've recieved cards, kind words, hugs, uplifting words, encouraging words, prayers and much more. So once again.....Thank you all for whatever part you may have played in keeping us lifted up. We really appreciate it all.
