“ *Brenda served the students with much pride and dedication. I had the opportunity to work with her for many years at UDC, she never gave less than 100% no matter what her task was. Brenda was one of the few employees at the University who took the time to attend to the questions and the needs of the students making sure that their registration and admission process was completed. It was my pleasure to know and work with her. Rest peacefully my friend.*

“ *Brenda was a stable source of support to both the UDC Financial
Aid Office and the students whom we all served. We could not have
done it without her! She was part of what made the University at
one point the largest HBCU in the United States!*
