“ *On behalf of the nursing staff at WHC, please accept my condolences on the death of Mrs. Scott. We all worked very hard to help her in her final hours and were saddened by the loss. I know she appreciated and embraced the love and attention that her children showed at her bedside.##imported-begin##Hinda Shaffer##imported-end##*

“ *"Her Journey Just Begun"*
Don't think of her as gone away-
Her journey's just begun,
Life holds so many facets-
This earth is only one
Just think of her as resting
From the sorrows and the tears
In a place of warmth and comfort
where there are no days and years
Think how she must be wishing
That we could know today
How nothing but our sadness
can really pass away,
And think of her as living
In the hearts of those she touched-
For nothing loved is ever lost-
and she was loved so much.##imported-begin##Bernice

“ I worked in the same building with Brenda when she worked in Falls Church. How shocked and saddened I was to learn of her passing. In the time I knew Brenda, we shared many talks and laughs. She was such a kind, dear person. My thoughts and prayers are with you all.

Fondly,

“ The God who hung the stars in space will turn
Your darkness into light.
The God whose birds rise on the winds will give
Your injured soul new flight.
The God who taught the whale its song will cause
Your heart to sing again.

For the God whose power made earth and sky will touch
You with his gentle hand.

Our discouraged spirit will once again know joy when we realize that there is a deeper reality to our lives, a level of truth only the heart can understand. That truth is this: There is a wonderful master plan at work in our lives, and the one who guides our path loves us more than we can ever imagine.

Blessings to Howard Scott and Family from your sister and brother in law, Leon and Karen Bernardo.###imported-begin##Karen M. Bernardo###imported-end##
