“ I can't believe this! Brenda was so full of life! Always had a smile on her face and a kind word to keep your spirit up! She would always say, "girl, don't let them get you down." She would fuss at me for not talking to the plants because they were her "babys"! Lord knows, if she stopped by and the soil was a little dry, she would threaten to take them away from me. Laughing and fussing at the same time. I am so sorry that I got caught up with life changes and could not reach out to her but I know that the sun shines a little less today because she is not here. But the stars shine a bit brighter as tribute to her resting with the Angels. Sleep well my friend, you will be truly missed!
