“ Dear Nardyne,  
Although I never met her, I know Brishell was the sunshine of your family. I was D'Mara's first roommate in college, and I remember D'Mara speaking so fondly of her niece. I was trying to find D'Mara's contact info online when I discovered the horrible loss your family is enduring. I am so very sorry for your loss. Please know you and your family are in my thoughts and prayers.##imported-begin##Kristen Devlin##imported-end##

“ Hey Bri, your smile has embraced my heart, my home and my family. I ask myself everyday, with your momma being a "Nut" just joking, she still manage to give birth and raise a flawless diamond such as you and I can only pray that Saniya can image you, your style and your grace. P.S. Keep your eyes on your mom, let her know you are ok, you're in the right place and you can do more good for the world from up there.

“ My prayers and thoughts are with you. I can't even begin to imagine your pain and emptiness. Brishell was my work buddy at Georgetown University. I remember the ride home conversation and her bright smile seating on my desk talking to me. The last time I spoke with her she was having something done to her feet and she told me she was coming back to visit us. It's hard to even think that this happen to her. She will be truly missed and will always be in my heart & mind. May the memories held deep within your heart, help to soothe your spirit at this difficult time.##imported-begin##Fatimah##imported-end##

“ *I will always remember Brishell as being such a beautiful young lady. She was so sweet and her smile was always so bright. Nardyne, I could always see what a great job you were doing as a mother because she was such a happy child. We had so much fun after Keisha's wedding and I still remember the two of you together that weekend. Uncle Harold loved her so much and spoke about her all the time. Even though I didn't see her that often, I always heard about her through him. The only thing that has comforted me during this time is knowing that she has been reunited with Grandma Anna or as she used to say "Anna Mae"! I just know Grandma Anna welcomed her home with open arms and you have them both watching over you and the entire family.*

“ I had the privilege of weekly lunchtime meetings and schoolwork sessions with Brishell at Washington Middle School for Girls when she was only 11 or 12 yrs old. She always lit up the room with her joyous enthusiasm for life and learning. Brishell was a positive influence on her peers who will now remember her always, especially when they say NO to hatred and violence and YES to love and respect for every human life.##imported-begin##cathy sloan##imported-end##

It was an honor to be able to join you and your family in celebrating Brishell's life! While we waited outside the church, we saw three butterflies - a gorgeous monarch, and two white ones. Brishell will always be present with you to comfort you, even when there are no visible butterflies!
