“ *Dearest Dad,*

I still cant believe you are gone. It hurt my heart to not be there when you died but God knows my heart. I will take the long talks and walks we had and cherish them so much.

I remember our last time together, a week before you went into the hospital and I will NEVER forget your last words to me. "hold no grudges", I will carry that legacy on as your daughter and instill it in my daughters and grand daughter.

We will always love you and never forget your memory.

Forever in my heart, Sonja(Buck's daughter)

“ For the Family of Uncle Buck Wilson...May God give you the strength, peace, and patience of Job as you travel this difficult journey at this time. No amount of words can ease the pain and sorrow you are feeling right now. Remember to call on The Name of Jesus and all of your fond memories of Uncle Buck for I pray these memories and his laughter that you hear in your heart will help you during your grieving process. “ With Kudos and love to the Wilson family. The Burt/Gist family extends our heartfelt sympathy and look forward to sharing in the glorious homegoing celebration. Buck Wilson had a heart of gold and was a gifted contractor and businessman. Very few men(or women) will open their home to care for foster children and adopt them. I salute him for such a sacrificial and unselfish spirit.
