“ Calvin,
Bianca and I will miss you so much. God honored us with a great gift, having you in our lives. We are truly grateful for knowing you and having you as a friend. Like the promise I made to you a year ago when my Mom went to be with Jesus, "we would never forget you" I promise you once again, "we will never forget you".
We love you Calvin! Beatrice & Bianca##imported-begin##Beatrice Rouse##imported-end##
