“ *We will surely miss Ms. Johnsons beautiful smile and calm nature. She was a faithful Sassi Beauty Salon client every two weeks on Wednesday. We remember when she and her neighbor Ms. Lindsey would drive to the salon. So many clients still ask about them, a life well lived a rest well earned Ms. Johnson*

“ *I will remember Ms. Johnson as the vibrant and high-spirited mother of Jeff. In an instant, i saw where Jeff got his spunk! I first met Ms. Johnson when selling Jeff his first home. There were four empty handbags/purses left behind in a closet during walk-through. She said those were some nice "pocketbooks" and she had some outfits she could where them with as she walked out the room and ultimately left the house sporting five "pocketbooks" on her arm. I still sometimes chuckle at the memory and her picture depicts the smile and bubbly spirit i remember. Her time here on earth is completed, i know Yahweh awaits her presence in the heavenlies! My prayers & love to the Johnson family.*

“ Grace has provided a path for me to meet her through her son Jeff and by him I see her influence of love, Godly instruction, and community impact. Her works follow her and everywhere and everything she encountered, prayed for, touched, and loved through sharing of her gifts from heaven. God created in her great works. To God be the glory and in that I give thanks for her life and light that still shines. Our God comfort all who loved her and will miss her in the hope she proclaimed and now has inherited in her place in glory.
