“ Your birthday has passed and so marks a year that you left us. I often wonder why you left so soon and why you didn't tell me something was wrong.

It's so hard to wake every day and not know what happened, if you were sick or what.

I wait for that call that I can't quite accept won't come, it gets harder everyday without seeing and talking to you.

So here's a belated happy birthday!!

and a great big hug, kiss and smile for you.

I won't say good-bye because I know someday soon we'll be together. Luv ya###imported-begin##Gwenevere Funderburk###imported-end##

My Dearest Aunt Don,

*I'm sitting here @ work wondering how was I gonna get a copy of your newspaper obituary. On the day it went to press, I was @ Momma's helping to prepare food for your Repast. That day went by so fast. I was not ready for it, never in 100 years did I think It would have come so rapid for YOU>>> God truly does have a plan for each and every being that has been placed on Earth. I just wish that his plan for you was to be here as long as I am. Since that was not the case, I'll say this " when my turn comes around I hope that I'm ready, not just for HIM, but the return of us laughing, joking, and making others laugh, and joke. So until then, Aunt Don you will always be my #1. LOVE YA ALWAYS, YOUR NIECE DEE

“ It's been almost a year, since you left me, and I still can't accept it. It is Saturday, and I still wait for your call about WPFW, but, it never comes.

Not in a million years did I think you would go b-4 me.

I miss you so much.

It's like our favorite song "Someday, we'll be together".

“ Sis, I never thought I would hurt this much. Nobody can make me laugh the way you did, or even brighten up the darkest time in my life as you have.

You are truly missed. Each day I rise and forget that you're not here, what am I to do, for so long it was just you and me.

It still doesn't seem real.

I love you so much, can't wait to see you again.

Hugs and kisses to everyone.
