“ Sorry to hear about the lost of your dear loved one. Words cannot describe the pain of losing a love one in death. We feel so helpless. During this time family and friends have been an invaluable source of strength and encouragement. There is one more source of strength and that comes to us from the pages of God's Holy Writings. The Psalmist wrote at Psalm 28: 8 Jehovah is a strength to his people, and he is a stronghold of the grand salvation of his anointed one. May God grant you strenght to cope with each day passing from this moment on. Jesus said we have something dear to look forward to an that is the resurrection. He stated at John 5:28, " The hour is coming and it is now when all those in the memorial tombs will hear his voice and come out. Our dear loved ones have the hope of one day living again. Jesus demonstrated God's power over death at John 11: 11-44 in the resurrection account of Lazarus. He himself was resurected by God after being dead for upwards of three days. Please take note that God cares for all of us and especially you during this difficult time. Our prayers are with you and your family.##imported-begin##Garrick's Messages##imported-end##
