“ *My deepest Condolences to the Johnson family and friends*

May the memories help to comfort you at this time of sorrow. I will always remember his kind-hearted ways. Fun-loving, not overly serious. I can see him now, winding up his knee and ankle-proclaiming he was dancing.

To his detriment, would give you 4 cents of his nickel if you needed it or he thought you did to assist in your situation.

"There are things that we don't want to happen but have to accept, things we don't want to know but have to learn, and people we can't live without but have to let go" (Unknown Author)

May you comfort and support each other and your friends keep hold.
