*“ I have known Charles for more than 55 years. He was always available for me whenever I needed him. He was an all around good guy willing to help anyone who needed it. I saw him on Friday, November 29 and later spoke for more than an hour. I had no idea we would never speak again. He loved his daughter and she loved him. I always ensured that he was involved in every aspect of her life. We will miss you Charles. Rest beautifully in Peace in God's hand. To the King Family, you are in my prayers and I love you all.*

*“ I had the honor of working with Mr. King for almost 14 years. He consistently looked out for me and was always eager to lend a hand. He mentioned that I reminded him of his daughter, whom he adored and often spoke about with great pride. He shared with us tales of his youth in the Navy, where he experienced a sense of fear when boarding a large ship, leaving everything familiar behind. Mr. Charlie was a source of wisdom and charm, a gentleman, dependable, and respectable. He was an all-around good man. He will be greatly missed.*

*I was sadden to hear of the passing of Charlie King. He was a classmate of mines Class of 1966 Swift Creek HS. When I was living in MD, he would often visit the Church that I was a member. He will be missed. RIHP Charlie, A life well lived and A rest Well Earned. A friend Gloria Bryant Chrisp*

*Charlie; my next-door neighbor will be remembered for his good humor and great personality. At some of the times that I would be woodworking at the back of my home or yard working, he would come out his back porch with his friendly addressing "Marv, Marv- what are you doing sir" and my response back to him would always be "Charlie, CHARLEEE!! my good man friend". For the most part, during those moments we would throw a few jokes about life and speak of current events and that would make my day. What an honorable man he was. He will be missed forever by my family.*
