“ *It has been many years since I was a newly hired 22 year old Air Force hire. I knew very little about anything. And there was Ms. Clarice Philmore, the self-proclaimed "hip kitty from the big city." Clarice took all of us who were wet behind the ears and guided our steps. She watched out for the pitfalls we didn't know were there. I am grateful for this caring and knowledgeable lady. She was loved and she will be missed.*

“ *Mr. Thomas Flowers and Family.*

I am saddened to hear of the death of my dear sister, Clarice. We shared many happy moments together in AF Personnel. We were also together last November at the homegoing of Ms. Alice Grant. Please accept my sincere sympathy and condolences God Bless you and Family at this time.

“ Dear Tom and all the Flowers Family,

Please know that you and all the family are in our thoughts and prayers. Knowing too, Tom, that you in particular were the dutiful nephew that brought so much joy and comfort to Cousin Clarice. She always appreciated your kindnesses even when the light of her eyes slowly dimmed with age and the memory of many events of the years had passed.

Our families have moved to many places since the Pittsburgh days, but I as many a family member will always remember Clarice for her very lady ways, quick wit, stories of days gone by and her love of family.

We all share with deep sympathy, the loss and grief you and all feel. We know that comfort will come in knowing that all of us care. Know too that fond and loving memories do bring peace, and the support of loved ones do sooth pain.

Much love to all from your families here and abroad.
