“ *An angel. Two words that precisely define the presence she embodied. An angel is who she was and is to me, her family, and everyone she encountered. If I have ever experienced the embodiment of grace and unconditional love it was because of my aunt lolli. No day shall pass if I do not remember the important life lessons you have taught me. No day shall pass if I do not give our Heavenly Father the glory.. like you have taught me. I miss you every minute, every day, and every year that passes. My God mommy, my mother, my best friend, and my angel.*

Love always,

Nini

Claudia wrote and produced a marvelous event at Ford's Theater just a few months ago, and the choir of Unity of Washington, DC was honored to participate. As Director of Music, I had occasion to work closely with Claudia in the planning, visiting with her at Ford's Theater prior to the event, and hosting her at a post-event service at Unity. She was a great lady---exceedingly gifted, talented, knowledgeable, and exceptionally kind. Peace and blessings to her family from all of us in the choir at Unity of Washington, DC!

*Most sincerely,
Ronald F. Ellis, Ph.D.
