“ *Roshelle, please accept my heartfelt condolences, words cannot begin to express the sadness you are feeling right now. My thoughts and prayers are with you and your family at this time. Mother's are the most expensive being on earth, no one and nothing can fill the void created by the loss of your dear mother. May the love and mercy of our Lord be bestowed upon you and your family during this unfortunate time. May fond memories of your mother bring you comfort during this hard time in your life. When we lose a loved one here on earth, we gain an angel in heaven that watches over us. I pray that God will grant you the peace that you need to get through this. But take comfort in knowing that she is now resting in the arms of our Lord. A person that departs from this earth never truly leaves, for they are still alive in our hearts, through us, they live on. Mrs Claudia will be truly missed.*

“ Mom Claudia... I called you that affectionately because you are my "sissy" Roshelle's mom. I remember meeting you at Roshelle's house back in 1999. Your humor and wit was always welcomed, but more importantly was the way you showed your grandchildren so much love. I thought Ro's kids were yours... lol Despite my humor, my heart is torn because I know your family didn't want to see you go but I know you are at peace. No more pain & suffering. You can eat all of the sweets and junk food that you want now.
