“ *Rev. Columbus Seacy Burrell Sr.*

October 23, 2023 at 08:15 AM

“ *Elder Columbus Burrell the Pastor of Holy Trinity Church Richmond, Virginia. A man who truly love Jesus and walked in the Word of God. He Spread the Gospel throughout the Richmond Metropolitan area on Radio with the Voice of the Wilderness Broadcast. He enjoyed telling somebody about sweet Jesus. I got a chance to fellowship with him at Holy Trinity and meet his wonderful Bishop Frederick and other Bishops of the Federation. He ran a good course, kept the faith now he has taken the flight to Heaven to live with sweet Jesus and the wonderful saints of God. I can say a job well done Elder Burrell. I plan to meet him along with the wonderful Saints of God when I get to Heaven. I am part of the noisy crew the Sanctified Holy Ghost Filled Believers ready to meet sweet Jesus. Sister Burrell keep the Faith and serve the Lord in Holiness so you too can make that wonderful trip to Heaven some sweet day. May God bless the family to be saved, Sanctified and Holy Ghost Filled so you can meet your loved one Elder Burrell again in Heaven. There is no need to shed tears over the body for the body sleeps until God raise an incorruptible body to get him ready for the new world to come where dwells righteousness. True Saints have a hope in Jesus! You have our prayers and support. Pastor Elder William D Holmes Tried of the Fire Holiness Church of the Apostolic Faith Churches of Giving Grace Inc.*

“ *To The Family of the Late Pastor Columbus S. Burrell*

*There are many people that we meet in our lives, but only a very few will make a lasting impression on our minds and our hearts.*

*GOD saw Columbus getting tired, when a cure was not to be, So HE wrapped HIS arms around Him and whispered Come to ME, So he gave him rest, GOD's Garden must be beautiful, HE only takes the BEST.*

*So think of Columbus as living in the Hearts of those he touched, for nothing Loved is ever lost and he was loved so much.*

*My condolences and Prayers are with The Family during this time.*
