“ *Cordelia was my niece who I haven't seen since she was a very little girl. I just found out that she passed away and I swear I have been feeling such a loss of the young lady who had gone too soon. Looking at her picture I see the love of her parents and I'm so sorry I didn't get to know you and be a part of your life*

“ *Cordelia and I met in Job Corps. We were separated by 6 years but we bonded so quickly, mainly because of IT and sharing the same 'weird' sense of humor. When i think of her, the first thing that comes to mind is her smile and laughter. If you had the pleasure to experience both, then you know how quickly it could melt your heart. She was one of those people who you felt knowing her made you feel special. I know i did. I wish i could have one more day to spend time and laugh with her. One of the nicknames I had for her was Cordi-pants. And one of the nicknames she had for me was Muffin. Imma miss you forever Cordi-pants. And Muffins will be just a little less tastier without you around to share them with 😞.*

“ I met Cordelia at Job Corps. She and I were the only black women in the IT program. We experienced great events and heights by being a part of this, being competitive yet welcoming. Cordelia had a personality larger than this life. I pray that she able to find peace and solace in the arms of the Lord. I pray blessings of peace over her family and loved ones. Keep shining bright, Cordelia.
