“ *To Craig's family, I pray that God's comforting and healing hand will be with you in this time of loss. May the good memories fill your hearts and minds. Craig and I worked together for many years. His advice and technical expertise were the essential ingrediants for the success that the CIO and DCS, G-6 and the HQDA COOP programs enjoyed. But for me Craig was much more than a talented and dedicated co-worker, he was my faithful friend who shared his life with me as I did with him. I will miss him greatly.*
