“ *Wow Craystal its been soooo long! It seems as if I just saw you yesterday and you were smiling and enjoying life..... I miss you sooo much. “ I am hurting so bad. Crystal was far more than just a soon-to-be sister in law. I shared her heartaches, her tears and pain and most of all alot of good times. Crystal kept me smiling and she was also a ear to listen when I had to vent. I miss her so much and I see her in the baby so much. She watches over the baby and Destiny like a angel. I just wished only I had a moment to talk to her before she was taken away from us. There is still things I would like to say to her but I would first start with saying that I loved her...and she will always be my sister in law. “ Let him know you care Lord
And will be there when we?re not
The emptiness he feels within
May be filled with you oh God

*May he know you as a father
And know you?re by his side
To come and wipe his tears away
When alone he silently cries*

*Hold him in your arms Lord
So he will be at peace
Allow us all to give him time
In dealing with his grief##imported-begin##melanie

“ Clarence, Sharon and family:
I am praying for you that God will ease the pain and comfort your heart. Psalm 121 states: I will lift up mine eyes unto the hills from whence cometh my help. My help cometh form the Lord, which made heaven and earth. Although these words can not ease the pain, I pray you will trust God to comfort your heart.##imported-begin##Glenda Turner##imported-end##
