“ *I am sending sympathy and prayers to my Lambert family. Curtis will be missed very much. I feel so blessed to have visited Curtis and have a picture of him and me that I will cherish forever. When we were young we made a lots of memories when you all came to the country and when we visited you all in the city. Time went by and I know we haven't seen each other as much over the years as we use to but life can be that way sometimes. I will always keep you all in my thoughts, heart and prayers. We need to keep in touch.*

*God Bless and Much Love,
Theresa and the rest of your Cousins

“ My most sincere condolences to Edmundo and the rest of the Lambert family in the passing of your father, grandfather, great-grandfather, uncle and friend to many, Mr. Curtis Lambert. I am so glad I was able to make it to the visitation hour before the celebration of his 96 years of life. The overflow of visitors is a testimony to a life well-lived. You finished well, 10-4. May you wear your crown of life as well as you wore your cowboy hats here.

“ *Marvin and Mondo as well as the rest of your extended family. It has been a pleasure knowing and experiencing Mr. Lambert for over 50yrs of my life. He was a very likeable and tolerant man who was full of little wisdoms about life that he would occasionally share with me and I'm sure many others. He enjoyed his life, family and friends. I have memories of his Harley Davidson motorcycle revving up in the garage early on Saturday mornings... Good morning!!! He was a man full of life and devoted a great portion of it to his church. He was a good man. I'll surely miss him. One of the last of the old guard on the street of Roxboro. Four years short of a "Century". Wow... 10-4 Sir...Rodger D...*
