“ Nephew, this is breaking my 
Your passing has took a toll on our family. This whole situation has us feeling some kind of way nephew. Gone too soon  We have always had a special bond. I am truly going to miss you.  Thank you for always being my protector. Having a nephew the same age was something very very special. I will treasure every moment that I could think of. Starting from the cradle to my final date 
 Thank you for always being my protector. One thing for certain you were there for me. Even if we had disagreement. You was there in my time of need. Or if you thought you I needed you because you thought you was my father. I am going to miss me having to tell you I'm 3 months older and I'm the Aunt . I am going to miss that. Even though you got on my nerves most of the time. It was Allllll LOVE!! You up there now with both of your favorite girls. Your grandmother's. I know Ma was up there with open arms ready to greet you. If anybody understood you it was her. I know the rest of our family that's up there is happy to see you again too also. What a grand  . But we down here broken hearted  It won't be the same for my brother and sister in law. Your siblings Aunts ,Uncles cousins ,children and friends. a

Lupe I can't stomach this. I am trying to be strong. . I love you . As the days are getting closer the more my stomach quiver. I wish this was a dream. When living in the moment it seems surreal..
