“ To our niece, Lois Bears Stansbury, it is with love that we offer our condolences on the transition of your Mother, Mrs. Daisy Miller. We are certainly aware that you gave your best and always loving care to your mom during her life, especially as she faced the last years of illness and quiet, peaceful living. You were with her alone during this pandemic, giving her all your attention and nursing assistance. We commend you and your brother, Broadus, who supported you during your mother's illness; he travelled from Minneapolis to assist you whenever the need arose. You and your family were truly blessed to have your mother with you throughout her 105 years of life. Lois, you already have a star reserved for your crown as you provided love and assistance to others, in addition to your Mother. To God Be the Glory!! Lois, our love and prayers are always with you and your family. Be Blessed!!!
