“ *I am very sorry for your loss. I can only imagine how it feels to lose a loved one. But thankfully there is a way to end all death and receive everlasting life on a paradise earth. Revelation 21:4 says: "And God will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore. The former things have passed away." And there is a resurrection work that will take place as well. John 5:28 says: "Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out." I'm sure the thought of seeing Dallas again in this wonderful arrangement that God has provided for us makes you very happy, as well as being able to live forever with your family, including Dallas.
