“ On Behalf of the Family of the Late Ernest N. Wills Sr. we offer our heart felt condolences. It's never easy losing a loved one. There are no words that can express the hurt and sadness that you are currently going through at this present moment. Damon will truly be missed. Whenever I would see him the first thing he would say to me was, how's your mother. Before the passing of my Granddaddy, he would always ask the same. How's your grandfather? He knew how close i was to my grandfather and how distraught i was when he passed. He actually attended my Granddaddy's home-going service. Damon had a caring heart. Would do anything in the world for you. All you had to do was ask. Hold onto the precious memories that you've shared until you are all together once again. May the PEACE OF THE LORD BE WITH YOU ALL.
