“ *In life there are no guarantees that we will be pain free,
but God has better plans & promises for those with eyes to see.

And while wisdom grows with character

“ God bless you my brother, and our families. Darryl's heart was as large as all outdoors. Always willing to help others, even when not feeling well. He had a smile for everyone. I thank god for the honor of knowing and having such a wonderful person in my life and my families. I will miss making DARRYL laugh all the time, but I know he is ok. I can hear Darryl saying "I'm ok Mordyman. But I wish a brother could get some your BBQ. From-- Brother-Mordecai##imported-begin##Mordecai Lawson II##imported-end##
