“ Everyone at Ourisman Honda/VW enjoyed working with Deandre, and we all miss him. Louis Estrada and I (Deandre's coworkers) went to today's Service. Chance Vacek wanted to attend, but he stayed and worked so other Ourisman employees could attend. We miss his cooking too-he had hot dogs or something cooking in the back of the parts department a lot!  
People at other dealers who worked with him or knew him, and many of his customers, were shocked and saddened to hear of his passing. I think everyone who met him felt like they had made a new friend.  
I have been saving money to buy a new scooter, and Deandre said that we could go riding together and he could teach me how to be a better rider. When I buy that new scooter, I know I will think of him every time I ride it.
