I thank God for my friendship with Debbie Alexander. I was the Secretary for the Health and Welfare Committee at MSBUMC. Working with Debbie always made me feel special because she was such a great leader. She always had made sure the congregation and community's health and well-being were the focus. We were not a committee that just met all the time. We did things, Debbie would not allow that. We hosted programs, we lead programs, and brought programs that were helpful to people. When we thought we were done, she would bring up the next thing and we would all have assignments. :)

I truly appreciated her friendship because she was so caring and kindhearted. I could always count on a hug and a smile from Debbie. We rode together to meetings occasionally and we would have a nice conversation that bonded our friendship. It was an honor and blessing.

*Debbie's smile and caring concern will be missed!
My condolences to the family and MSBUMC. Prayers are lifted for your strength, peace, and comfort.
