“ Deidre was beautiful, kind woman who brought a sense of warmth and joy with her wherever she went. She was strong and resilient, even when we knew she was scared. She always had a smile even when we worked though long, hard or very stressful days. She was so admirable in so many ways. I'm so sad we lost her, and I know will miss her very much. Our team will miss her very much. I'm so grateful for having had a chance to meet, talk with and share the time we had together. She really was extraordinary. ❤️

“ *Deidre is my friend. A friend that I will truly miss. We were there for each other through thick and thin, good/bad, sad and happy. She always had a smile and a kind word or kick in the pants when I needed it. Her strength in faith was one of the strongest I have ever seen. I'm so grateful for her friendship. The community, world, and myself will very much miss her. I know she is watching over us all. I will miss her much.*
