“ Just thinking about you...I remember when I last time we saw one another we were sitting on the bench in front of Billy's Bakery on that amazing day...I never knew someone who touched my life the way you did, and how you only wanted to be referred to as a "Hair Designer" and never a "Hairstylist". We had so many plans to conquer the world and we would've made an amazing team. I still beat myself up for not being able to attend your funeral, but believe me when I say I think about you always.

“ I had the honor of being DeLonte's client. He made me look beautiful- after artfully crafting my hair, he would always say: "Don't hurt nobody!" and we would laugh together!
DeLonte I send you love always!##imported-begin##camille fobbs##imported-end##

“ It's funny how our purpose in life is never finished until our creator thinks so and not us. This is a new journey you have. You are now the peace keeper and guardian angel. Watch over those you held close. I will not say goodbye to you. Your presence continues on.##imported-begin##Tiffany##imported-end##

“ *Delonte was my next door neighbor at SU during my first year in college. He was very welcoming and he was there for me during a very difficult time in my life. With his words of healing and wisdom that were well beyond his years. He is at the top of my list of people remembered during my college days. My heart just sank at the word of his passing. But I can truly say that he touched a lot of people in his young life, and earth's loss is truly heaven's gain. My thoughts are with the family during this time.* *##imported-begin##Avis Stewart##imported-end##*
