“ *Q Baby u were a gift to us all. U were the village. My whole life, all I ever saw u do was look out for people in one way or another. I am so lucky to have had you as my grandmother all these years. I wish we could dance one more time like when I was little. Your life was the epitome of sacrifice. Don't worry though, the plan is still in play baby. I just hope we make you proud! I will always love you!!!*

“ I cannot see my Sisters' leased body on display, the pain would be too great, she is with me right now as a living spirit, we talk every day. She was a HERO battling the invisible enemy, she was as a soldier on the front line, she was essential. My sister gave so others could have, a place to stay,,to eat, to share joy, I spoke to her often about others having her best interest at heart, and when they didn't, she would still look out for them lovingly, I have spent my entire life having my sisters' best interest at heart, we never had harsh words between us and her time living as a mortal soul will be well documented in the book of everlasting life. I helped raise her Kids' when I was a kid myself, Vernetta, Ann, Vernon Jr., William, Jamal, and Roykeya, I will always have your best interest at heart. Your Mother showed me how to have good character and be a front line soldier just like her.
