“ *To the family I extend my deepest condolences. Meaty & I knew each other in high school and the Air Force. I found an old pic and decided to look him up. I was saddened to see this. He was fun, friendly, always joking and a great person to know. I'm sure that never changed. My prayers are with you all.*

“ Demetrius! Wow, never imagined I would be doing this! You always brought a smile into the room! It was contagious! I have to first thank you for bringing your family into my circle. Your memmicking of Poobie's "Ah Yeah Uh-huuhhhhhh will never be forgotten. Your bright smile will forever be in my heart. The conversations about life, kids, Ma Cheryl and Uncle Al will be embedded. Thank you! May you know that you were a light in my life. I pray to see you again one day where there is no more pain and suffering. I know you arrived walking strong and looking like business when you got there. Asking what the next step was because you were feeling good! Business was your nature and you were a strong Black King who cared deeply about the people you loved. Know that you will always be remembered and celebrated, expecially on your day! You went out with firecrackers, barbeque and a nice toast! So on that day I will call your name and smile in remembrance! Rest in Paradise my Taureen King! You always thought Taurus was for VIP! Thank you! Love you and until we meet again. Peace!
