“ *Denice and I basically shared an office for the better part of the past decade, divided only by a paper wall that periodically gave each of us the false feeling of being alone. Through this facade of privacy, I was able to witness how she conducted herself when she thought no-one was watching(listening)... She always had the utmost integrity.*

We also had a lot of fun! Denice was one of the most hard working and humorous people I have ever known. We shared soo many humorous experiences, a lot of these are memorialized in stories that many of you know.

Denice lived life the way it should be: with integrity, goodness, hard work, fun and humor. She will be an inspiration to me for as long as I live. Her life was well lived. As I have now had more time now to emotionally process her passing, my sadness is mostly for all of us that she left behind--- especially for her Mother, family, and Godchildren.

I love and already miss you, Denice!

“ *I loved Denise’s loving personality and spunk. She added so much to our workplace and I always loved hearing her voice down the hall. She was my favorite coworker to party with at the holiday party and she was always caring and helpful to solve day to day problems. I was truly sad to hear she has left us, but am happy knowing she, know doubt, is in a better place in peace.*
