“ *I wanted to express my deepest sympathy to the family and friends of Mr. Dennis Morgan. I did not know him very well. I met him through Keya Pickett who was helping to take care of him. The few times that I saw him, he was always smiling and pleasant. He was funny because every time I saw him, he was asking when we were going to get married. The last time I saw him, I turned the tables and asked him about our marriage date. When he found out how old I was, he stated that I was too old. He was looking for someone no older than 21 smile.*

*To quote the book of Revelation 21:3-4 NLT: "I heard a loud shout from the throne, saying, "Look, the home of God is now among his people! He will live with them, and they will be His people. God himself will be with them. He will remove all of their sorrows, and there will be no more death or sorrow or crying or pain. For the old world and its evils are gone forever."*

*I am sad that he is gone, because he had such a genuine spirit. But be comforted in the thought that he is now in a better place where there is no more pain, no more hospitals and that he's probably smiling down on each of you while drinking his Pepsi smile.##imported-begin##Catherine Averhart##imported-end##*
