“ *Ms. Jackson and Family, my prayers & condolences are with you. Deron was my buddy and big brother. I've known him since the 4th grade. I use to hang out with him and his cousin Renee. He made sure none of the guys in the neighborhood bothered me and he was quite protective towards my boyfriends.smile Ms. Jackson you use to babysit my youngest son T.J. Deron I love u and will miss running in to u coming from or going to the store. I know u r in a better place now. Michelle Wyatt Temoney##imported-begin##Michelle Temoney##imported-end##*
