“ *I had the pleasure of working with Desiree for the past four years and always found her to be a compassionate advocate for her clients. My heart filled condolences are extended to her family and friends and I wish peace and healing in your hearts.*

“ *I'm so sorry for your loss and would like to offer my condolences to your family. Death is such a terrible thing for a family to go through, I actually lost my mom 3yrs ago. I'm truly grateful that I have the truth about death and look forward to the future when there will be a resurrection of both the righteous and the unrighteous.”—ACTS 24:15. I'm sure you would love to see your loved one again in the coming Paradise here on earth!
Again so sorry for your loss!!*

“ I worked with Desiree for a number of years. She was a strong advocate for her clients and a tough opponent in Court. She cared for the families she served and the community has suffered a great loss. My heart goes out to the family and friends who knew her best. May the Lord bring you peace and comfort during this difficult time. May you have eternal peace and rest Desiree.
