“ The McNeill Family and The Hunter Family have been neighbors for well over 50 years. My mother remembered when you were born, became a toddler, child, teen and adult. She remembered when you became a student, a father and eventually a husband. Now that your world traveling status has come to an abrupt end, know that your eternal journey has just begun. We will continue to pray for your mother because she will be extremely lonely without you because the world has just lost a bright light.

Love eternally,  
Esther McNeill Reid
