“ *I met Devin my freshman year of college, we lived on the same floor. He was so sweet and become one of my close friends. Our friend group has so much love for one another and we miss him so much. We will never forget the love we have for him, we miss his smile, his jokes, and his presence. But it was a blessing to have known him and I'll cherish our moment always! Love You Dev sending prayers and love to the family.*

“ *May God's Love give the family strength and comfort during these difficult times. My deepest condolences to the family. Devin was a joy to have in my class and summer camp. I will always remember his smile and athleticism especially his basketball skills. He always did his best in school and was such a fun loving child. May God continue to Bless each one of you. Love and Hugs to the family*
