“ Queen Mother,

*There aren't too many words that I can express to explain how I truly feel. Part of me is numb because of the physical and the other part of me is comforted because of what we spoke of when you told me about how great the Holy Spirit is. Ma it hurt seeing you at the hospital and it crushed me seeing you in that rectangle, even though I know that you are not in that vessel anymore that's what stings and calms me at the same time. My heart and pieces of me, thoughts and all are all over the place. Shawn and her children did an amazing job. The mystery of this life is the departure from it, I know that you're just as real as I close my eyes than you're when I open them. I know that just like we thought of each other and dialed up each other at the same time it will continue to be the same in the spirit, and I have to embrace the eternal reflection even more. I will embrace you even more because you're all I know. I give all praise and glory to the Most high Yah for blessing me with you Queen Mother. This is not it, but it makes me so grateful and it has humbled me. Until the trumpet blows! What The frog will always be saying ✨🙏🏾🙏🏾🙏🏾🙏🏾🙏🏾*
