Dray, one of the sweetest, most kindest men I have ever known. The first person I met when I move to SW over 25 years ago. I got on the elevator with my sister. He and Terrance were on it, Dray had on a jerry curl cap, we burst out laughing, he started a conversation and that was all she wrote. I only have good memories of him. He was a great friend, and more like a brother. The last time I physically saw him, I took him to church with me and we have a great time. He will be truly missed. I will continue to pray for the family and family's strength and comfort. May praise in the presence of the Lord!God bless you all Daneen

“ Martha, As your coworker for over 5 years, you spoke fondly and often about Diondre and your dedication to him was always evident. Because you talked about him often, I remembered that he and I were close in age. Not until now do I see how close, a little over a month apart. I'm thankful he had the love of you, a wonderful mother for his time on earth because a good mother makes the challenges of life bearable. I know you encouraged him in the Lord. I know it is only your faith that will sustain you now and in the future as you and his daughter move forward, forever missing him. Please know that our prayers are with you. - Frances
