DELVAL MOURNS THE PASSING OF FORMER AGGIE GREAT DON MARSHALL

DOYLESTOWN (PA) – The Delaware Valley College community was saddened to learn the news of the passing of Don Marshall, who lost his battle with cancer Tuesday afternoon at the young age of 27.

Marshall studied criminal justice while at Delaware Valley and also shined on the football field as he was one of the key players behind the amazing turnaround of the program. He was a starting wide receiver from 2003 to 2006 and was part of the winningest class in program history as Delaware Valley went 41-7 with two Middle Atlantic Conference (MAC) championship, two trips to the NCAA Division III quarterfinals and two appearances in the Eastern College Athletic Conference playoffs (one bowl championship, one runner-up) during that time. The Aggies were 2-8 the season before Marshall's arrival and had not had a winning season since 1985.

Marshall was a three-time all-conference and all-region honoree who also garnered preseason All-America honors in 2006. He finished his career

second on the school's all-time list with 29 receiving touchdowns and was third in both receptions (159) and receiving yards (3,055 yards). Marshall still holds the single-game record for receiving yards (251 against Juniata in 2005) as well as the longest reception in a game (98 yards vs Susquehanna in 2004). He served as a team captain in 2006

“Don was just a great guy and he left us way too early,” Delaware Valley College head coach Jim Clements said. Clements was the defensive coordinator for two of Marshall's year and was then his head coach in 2006. “He meant so much to the team, the players and the coaches. He was one of the key guys behind our success and the kind of individual that you want to build a program around.”

Marshall was recently coaching back at his high school alma mater, Bladensburg High School, in Bladensburg, Maryland. Information on services is not yet available.

“ I was just thinking about you Don. Thinking of the days of picking you up and taking you on our quiet ride to Baltimore so you could get your treatments. You were very reserved and looked as if you always had thoughts in your head of what would happen next. I tried many times to start conversations that would get you to talk. The only thing that would work is when I asked about the kids you were coaching at Bladensburg. You would talk on and on about how great the kids were. You always would say " we might not have a great record but they are great kids". You also would tell me what kids were going to be good college players. You showed me that you had passion for helping these kids. That is all I needed to see to make me know that your life made a difference and you touched many people including myself. The most memorable thing you said to me was when we were riding past the Baltimore Ravens stadium. You called my name and said "Juan the Ravens are going to win the Super Bowl and Ray Lewis is going to retire". That day came in January 2013. Baltimore beat the 49er's and Ray Lewis retired. WOW that's one moment I will never forget! How did you call that one?!!!! Tell me when we meet again. I don't know when that will be, but I want you to answer that for me.

*Love you and miss you little brother,
Juan Marshall*

“ I love you my brother. I was with you from the start of your battle, and I saw you on your last day. I will never forget it. I thought you were really going to walk away winning this fight with cancer. The cancer might have damaged your body but I can surely say that you didn't let it take your spirit. You stayed faithful to God and protected your spirit with your strong belief that the Lord would shield you. I understand my hurt and pain but I also know that you are in good hands with God. No more pain no more suffering. I will never forget you and I will always hold all the memories I have of you close to my heart. I'll see you again someday. I don't know the minute, the hour, or the day, but I will see you again.

LOVE ALWAYS,
Your Brother Juan Marshall

“ God's Lent Child - Don Marshall

"I'll lend you for a little while,

a child of mine," God said -

"For you to love the while he lives,

and mourn for when he's dead."

"It may be six or seven years

Or forty-two or three;

But will you - till I call him back

Take care of him for me?"

"He'll bring his charms to gladden you

And - should his stay be brief -

Remember - you'll have his memories

As a solace for your grief."

"I cannot promise he will stay,

Since all from earth return;

But there are lessons taught below

I want this child to learn."

"I've looked the whole world over

*In my search for teachers true;
And from all those that crowd life's lane,
I have chosen you."
"now will you give him all your love
And not think his labor vain
Nor hate me when I come to take,
This lent child back again?"
I fancied that I heard them say
"Dear Lord, thy will be done -
For all the joys Thy child will bring,
The risk of grief, we'll run."
"We shelter him with tenderness,
We'll love him while we may -
And for the happiness we've known
Forever grateful stay.
"Should the angel call for him
Much sooner than we've planned,
We'll brave the bitter grief that comes,
And try to understand."*
