“ *My thoughts and prayers are with you at this time of loss. We
sometimes want to touch a soul or soothe a wounded heart, but
sometimes words are just too deep or heavy to get out or we don't
even know the words or where we ought to start. So I say to you,
that my heart and prayers are with you at this time because I care
for you. I send my condolence and will pray for your strength and
courage. Love, Kim of Atlanta##imported-begin##Kim

“ To the Downtin Family -

Donald has been like a member of our family from the days of the old neighborhood and into Maryland. His loss is felt deeply by us but we know that it is nothing compared to what you are feeling. There are no words.

Know that we are keeping you in our prayers and know that God's love will keep you surrounded. We will always be here for you; please let us know what we can do.
