“ *My Dear Brother, time is a funny thing, sometimes it goes slow and other times it goes fast. When I think of all the pleasant memories of when we were children, there in were so many times we wanted time to speed up! Those times all came and past. I thank the God for the 65 years I had with my brother Donald. I have many fond memories that I will treasure until we meet in God's heavenly home, where you took up residency on November 11, 2015. I know that the Eternity we will spend in Heaven will be a perfect.*

*Love You Always,  
Your Big Sister, Johnnie Mae*

“ *Time is a funny thing, sometimes it goes slow and other times it goes fast. When I think of all the pleasant memories of when we were children, there were so many times we wanted time to speed up! Those times all came and past. Like branches on a tree we grew in different directions yet our roots remained as one. I thank the God of love and forgiveness for 65 years I had with my brother Donald. I have many fond memories and pictures too. I know that this time on earth is just a drop in the bucket compared to the Eternity we will spend in Heaven and that time will be a perfect time.*

*Love You,  
Johnnie Mae*

“ To the Flowers family, I extend my condolences to you. Donald was a coworker at George Washington Hospital. He was a very smart, serious, hard working, dedicated and caring friend. His earthly work is done and he takes his wings to a better place.

“ My dear brother Donald, may your soul be at peace with the Lord now. I want everyone to know that you were a terrific brother but you were an even better uncle to your nieces and nephews, I admired your keen intellect, wit and creativity throughout our lives. My fondest memory is that of all the siblings (Johnnie, Jackie, David, myself and you) trekking through Rock Creek Park on another of our adventures. We had fun hiking the trails and swimming in the murky water. What an adventure it was. I am pleased to know that you are with God and on the greatest adventure of all now. I will always love you and miss you.

With Love  
Doris
