“ *Suga you are truly going to be missed. You were always kind and loved your family. I'm going to miss talking and doing my silly dances for you. I'm glad we were able to spend time together and say we loved each other. You will always be with me. We had our special bond and I will cherish all of our memories. Love and miss you dearly, Sweet Pea*

“ *My condolences to Ma Donna and family. She was a wonderful person. She loves the kids. Such a sweet soul. Love our conversations. I remember when I moved around there I was always at her house. She loves her seafood and jolly ranchers. She will truly be miss 🙏❤️🕊️*

“ *Mrs. Emma K. Osborne and family extend our deepest sympathy in your loss and our prayers for God's comfort in your grief. Your mother, Donna McMillan, whom I called Ms. Moody, was a dear friend and a caring school volunteer. She accompanied me on school trips, helped with classroom activities and peacefully solved disagreements between children. They felt her love and compassion. So did I. We continued our friendship after I retired, spending hours together over lunch or on the telephone, exchanging cards and gifts. I will miss her very much and cherish her memory always.*
