*Donna's Beloved Community, consists of persons from all walks of life, diverse countries, cultures, ages, as well as socioeconomic backgrounds, and belief systems. Donna had a uniquely subtle way of magnetizing us all to her beautiful LIGHT before we even realized it had happened . . . even folks like me who have never officially met her in-person. With DLove, physical proximity mattered not. Her loving heart was big enough (and her mind open enough) to embrace us ALL. She was also able to keep it on the REAL defending the honor and dignity of oppressed, marginalized persons, who remain grateful for her unwavering advocacy and support. Yes, Donna LIVED her Social Work ethics, principles and values, DAILY. And, she was able to balance it with her love of time with the ocean, her loving husband, family, a range of eclectic music events, and performance arts of all kinds. She epitomized the eternal student, hungry for knowledge, wisdom, including spiritual enlightenment, toward becoming her best self. She invested in her own growth, expansion. Now, reunited with her sweet father, beyond the veil, we are left to celebrate her life, cherish the memories, and MOURN her sudden departure from our midst. WOW (sigh) . . . just . . . SMH . . . SMDH . . . 💕*
