“ To The Segar Family ? We are deeply saddened at the passing of Donte. No words can lessen your pain, or ease your aching hearts, and no words can adequately convey our sympathy. Dwayne and Sandra, you raised a wonderful son. Donte was exactly the type of boy a parent would want to befriend their child. He was well-mannered, respectful, and a pleasure to be around. He was one of Branden?s dearest friends, and he will be truly missed. Please find comfort in knowing that Donte is in the loving arms of Jesus, and that you will one day see him again, never having to say goodbye.

May God comfort and strengthen you.##imported-begin##Debbie & Branden Colbert##imported-end##

“ Dear Segar Family:

I was extraordinarily saddened and hurt to hear of the sudden loss of your son, Donte 'Tay'. I do not presume to know your pain in celebrating the life of a family member whose life is years in so few, but whose presence lingers on in us all. And I am further saddened that I have no words that could at truly convey the sympathy of myself and my family to yours.

I am thinking about you all during this difficult time and sending my heartfelt sympathy just the same. I have grown to love Donte your family as a extended part of my own and with that, I have been conditioned to be at my family's disposal to assist and any fashion that I can to see help see us all through our current challenges, and with God's grace I know we will find the strength to make it through this difficult period.

Holding you in my thoughts and prayers,
