“ *Aunt Dora, has no more sickness and no more pain , she is enjoying her eternal gain. She lived her life preparing for this day. There is a time to be born and time to leave. She is gone home with the one in which she believed. To my loving Aunt Dora Ellis*

“ Aunt Dora,

*You are so special to me. Whenever you were around you always exuded warmth, love and you always made me laugh. I know that you are in a better place now and you have and will always have a special place in my heart. One day we will meet again. Until then, I love you and I will miss you.*

*Love,*
