“ At the time, I didn't quite understand her tough ways, but it was an experience I took with me for life. Continue to rest on Señora Crosby. I know you are finally riding in your pink limo in the sky.

“ Dorcas and I worked together on Thompson Elementary School's PTA, where our daughters attended. She was the president and I was the vice president. She was a very formidable and kind leader and person. I am just learning of her passing, but I am sadly affected by it.

May God continue to comfort her children as the move through all the first celebrations without her.
