“ Hello everyone. My name is Hermin and I am one of Doreen’s nieces.

My Aunt Doreen was an exceptional woman who overcame so much adversity, and loved her children and family deeply.

I remember meeting her for the first time. That joy I felt to meet my mum’s sister. Wow! To meet someone who looked just like mummy, my mum’s sister who she always talked about and missed so much. The Aunt Doreen said I was so much like “you just like my sister”. To meet my Aunt, Uncle Herman and cousins was so wonderful and the similarities between them both uncanny. Their children were born in the same years. Imagine my Aunt married Uncle Herman and my name is Hermin!

Many of you may not know that my Aunt, mother and their siblings were part Amerindian. As such when they were together they talked to one another in their own language which was special to them and reminded them of their mother. That was a pleasure to hear and a wonderful memory.

Aunt Doreen was funny, straightforward and so loving. She lived her life to help others around her.

I will miss my many talks with her “shoot girl you need to be going out. When you getting married”. My hugs when we were together and most of all her telling me she loved me. I have so many pictures and memories that I am so thankful for.

I am most thankful for our last conversation the Saturday before she passed, when I was able to see her and she told me that she was drinking a beer for me and told me that she loved me. Thank you my cousins Karen, Denise and Allison for that wonderful opportunity. I drank my beer Aunt Doreen in memory of you.

I know that you are safe and with Uncle Herman, your sons, siblings and mum and now at peace.

God bless, love you so much

Your niece Hermin   x
