“ *You are an inspiration to many. I am amazed at the thought of you being so independent. You are a true meaning of you can do it if you put your mind to it and believe in yourself. I am blessed to have met and be a part of your family through my nephew, your grandson. Many prayers to your family, especially your husband whom will miss you dearly as I know it will be hard to not have someone you have had by your side most of your life. The Lord called an angel now He must strengthen his living angels you have left behind. I am glad my mom and I was able to have closure with you at the hospital, thank you for accepting us as family. Gone but not forgotten.*
